### **Holiday absence in term time – Governors' Statement**

Removal of students from school during term time disrupts their education and has an adverse effect on future achievement. It is therefore expected that parents will not arrange family holidays except during school holidays. While Governors recognise that there may be considerable educational opportunities to be had from travel, they feel that these cases are the exception rather than the rule. The Headteacher has been asked therefore to actively discourage parents from causing their children to miss schooling.
